## learning focus.

This month, our Nursery One learners had so much fun discovering how to color! Through crayons, paint, and finger art, they explored bright shades and learned how to stay inside the lines.

Every activity helped them strengthen focus, creativity, and fine motor skills – and of course, fill their days with color and joy!

## Learning Together, Growing Stronger

Dear Parents,

October has been a joyful and creative month at Douce Enfance! Our classrooms were filled with laughter, paint, and music as our little learners explored the theme “Colors and Emotions.”

It’s always inspiring to see how children express themselves – through art, movement, and words – and this month, they’ve truly brightened our days. Thank you for your continued trust and support. We look forward to even more learning adventures ahead!

Warm regards,

Douce Enfance Team.

## Birthday Celebrations

Happy birthday to our October stars – Jada Juru, Jesse Kuzo and Jael Nema . Thank you for letting us share your special day with cake, songs, and dancing !

## Sharing Day!

Our Sharing Day was full of smiles and stories! Each child brought a favorite item from home and practiced expressing their thoughts with friends. It was a beautiful exercise in confidence and communication.

## Outdoor Nature Walk & Reading.

our little readers enjoyed a magical twist to storytime — reading outdoors in nature! Sitting under the trees, surrounded by birdsong and soft breezes, the children listened eagerly as teachers read tales about kindness, friendship, and discovery.. The kids loved discovering that even the smallest things can be full of wonder.

## Closing Message.

Thank you, dear parents, for being part of our Douce Enfance family.

Every day, your children bring laughter, love, and light into our classrooms — and that’s what makes our community truly special.

We look forward to another exciting month of learning, playing, and growing together!

With love,

The Douce Enfance Team
